

WilderNests

'An interactive family show for nature lovers'

WilderNests is a unique production lovingly created by HandMade Theatre for children and families. Inspired local wildlife this piece encourages us to explore the plants, insects and animals found around us in a really fun and exciting way.

Meet Daisy a budding young song writer as she learns to embrace nature and get inspired. Follow her journey of discovery as she makes new friends, singing and dancing with the woodland creatures.

This show features HandMade Theatre's signature mix of original music, dynamic storytelling, colourful characters and beautiful puppets. WilderNests embraces the companies love of the outdoors and invites you to connect with the wild.
